TRANSPORT TO AND FROM MATCHES & TRAINING - JUNIORS

All parents/carers are responsible for the safe delivery and collection of their child for matches or training.

All fixtures are provided to parents through www.osterleycc.com and or googledocs via the Age Group Managers.

Coaches and club staff will be responsible for children in their care when on the club premises or on arrival at opponents' cricket grounds.

It is not the responsibility of the coach or team manager to transport, or arrange to transport, the children to and from the club or match.

The club will ensure permission from parents/carers is given for children to participate in all competitions and away fixtures/events (see the player profile form to give consent).

For all training & matches parents/carers must report to the head coach or team manager to ensure they are aware their child has been dropped off and to be briefed as to collection time as this may vary.

Policy on Managing Children Away from the Club

In any given season, as many as 50 per cent of matches can be played away from the club and that's without tours and festivals or similar events. For a club to be able to demonstrate its duty of care to the children in its team/s a robust generic protocol needs to be able to fit all occasions.

This policy covers children being taken away from the club's normal base location and/or home ground, and provides guidance to effectively manage children while in the club's care.

Where trips involve an overnight stay the Colts Committee should be consulted together with additional guidance in the ECB Safe Hands manual. This policy also applies to open age group teams where one or more players are under the age of 18.

Parents/carers must give the coach written permission (email acceptable) for their child (under 18) to leave the club or a match on their own.

In addition to the details in this section the club will also:

- Follow ECB recruitment guidelines for team managers/coaches and volunteer appointments
- Undertake risk assessments of venues and facilities
- Follow ECB supervision guidance for cricket activities involving children
- Have an agreed transport policy in place at the club
- Ensure the team has agreed to act within the appropriate ECB and/or Club Code of Conducts

- All members of staff need to have a clear knowledge of their role and responsibility for the team
- All team managers/coaches must go through an induction programme ensuring they understand the ECB “Safe Hands Policy”
- Ensure there is a ‘Club Home Contact’ – a member of the club who is not travelling away, who will act as a contact point in an emergency. Ensure the Club Home Contact is provided with the following information to enable them to fulfil their role should they need to:
 - Names of players and team managers/coaches on the trip
