

# Osterley Cricket Club Junior - Colts

## Membership and seasonal training 1<sup>st</sup> Oct 2018

Per the Club Constitution, annual membership subscription begins from the 1<sup>st</sup> October and ends on the 30th September annually.

The annual membership is to enrol the child for the coming year, providing outdoor training (during the English cricket season), once a week and when selected, to play a junior's match in their respective age group, per MJCA league program.

The Club prides itself in keeping the number of juniors according to the ECB ClubMark guidelines and Safeguarding policies.

**Invitation from Osterley CC Colts Training for winter camps and summer camps will be dependent on the number of parents registering and making payment.**

Winter training will be confirmed at the Colts Awards night (in November) where parents should have registered and paid their membership. Delays may occur if rules not followed.

Summer holidays weekly training camps will be run in July and Aug, by our ECB certified coaches. These are in addition to the normal training.

Please contact the Colts/Junior Section Secretary for more information.
